♦Employer Panel Agenda♦

The following information is a guideline for your use when presenting to our participants. Please feel free to modify this list to suit your presentation style.

1. Describe your company, the type of work opportunities available, and advancement opportunities (if applicable).
2. Do you train people or must they have experience?
3. Describe the hiring process.
4. Are there items on an application you pay particular attention to?
   a. If so, what are they?
5. What impresses you most at an interview?
6. What do you consider appropriate interview attire?
7. What qualities do you look for when advancing someone in your company?
