

## Here's what our customers say about Step Industries ...

"Step Industries has been a reliable provider of outsource services to Kimberly-Clark since 1982. We have been well-satisfied with the quality of their work. The fact that Step Industries is serving a vital need in the community makes this successful business relationship even more valuable."

Thomas J. Falk  
Chairman of the Board/CEO  
Kimberly-Clark Corporation

"Working with Step Industries has allowed us to focus on our core business. They do an outstanding job and they do it on time."

Deb Bristoll  
President/CEO  
Engineered Plastics Corporation
