Systems to Family Stability National Policy Academy 2015-2017

The Systems to Family Stability National Policy Academy (Policy Academy) is an 18-month initiative sponsored by the Administration for Children and Families, Office of Family Assistance. Through the Policy Academy, eight teams are designing and building collaborative systems within and across...

- Assessment
- Case Management and Coaching
- Executive Functioning

SFS Headline News

1. **West Virginia**
2. **Washington**
3. **Utah**
4. **Ramsey County**
5. **North Carolina**
6. **Maryland**
7. **Connecticut**
8. **Colorado**

Your headline will be displayed on the screen during team round robin updates. When your headline appears, take three minutes to:

- Describe the three key points that would be included in a story with the headline you created.
- Explain why the headline matters to stakeholders in your state/county.
- Describe a future headline you would like to see as you implement and sustain the Academy work in your state/county.
