

Post-Employment Support

Proudly Serving Native American Families in
Riverside & San Bernardino Counties

Post-Employment Support Counts!

Supporting participants post-employment:

- Case Management
- Supportive Services
- Career Development Services
- Programming and Events

Case Management

Case Advocates

- Maintain communication
- Assess needs
- Determine eligibility
- Process supportive services
- Issue referral to Career Specialist or education vendor
- Find any additional resources or support

Career Specialists

- Additional support contact
- Specialized resource for career development and advancement
- Influence career programming and events

Program Coordinators

- Additional support contact
- Influence general programming and events

Supportive Services

- What is the specific need?
- Verifiable need?
- What are they eligible for?
 - Case Type
 - Limits
- Additional resources needed?

* Child-Only TANF cases and Transitional cases are subject to the 18-month time limit in child care and transportation services.

** Services are limited to the child(ren) in Non-Needy and Child Only TANF cases.

P3/4 cases are not eligible to receive supportive services and therefore not included.

MTTP may provide Diversion services to eligible P3/4 cases; see policy 704-9

Career Development Services

Programming and Events

- Build a community of support
- Relevant speakers and activities
- Recognition of achievements
