Asset-Building Strategies

1 Financial Education

Give families information and skills to make sound decisions about savings, debt, budgeting, and more.

2 Savings and Individual Development Accounts (IDA)

Encourage savings, especially using IDAs, which match every deposit.

3 Getting Banked

Connect families to mainstream financial products, helping them to secure their savings and avoid fees for cashing checks and paying bills.

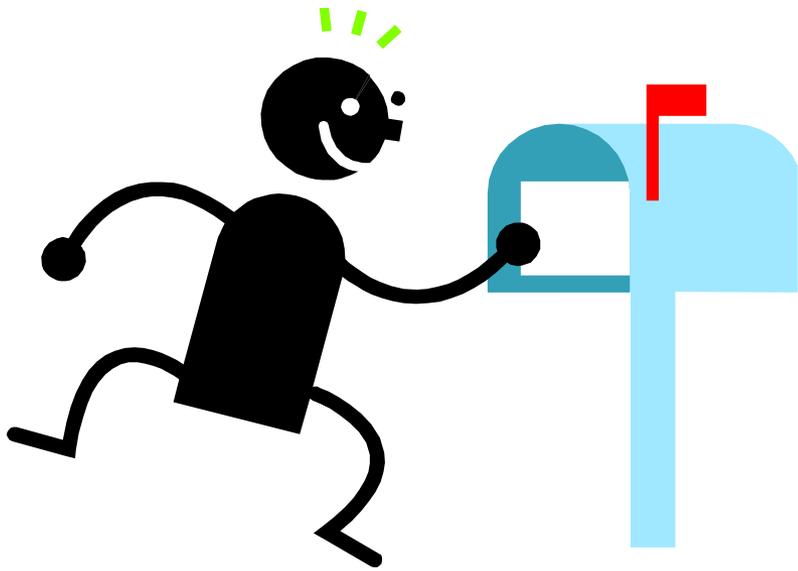

4 Managing Credit and Debt

Help families face challenges related to debt and credit, and use credit wisely.

5 Tax Credits and Tax Filing Assistance

Ensure that eligible families benefit from available tax credits, especially the Earned Income Tax Credit.

6 Accessing Federal and State Benefits

Refer families to the full range of federal and state programs that are available to help them.

Financial Stability
