LOCATION

The Hupa Family Resource Center is located on the largest Indian reservation in California along Highway 96 and the Trinity River.

MISSION

To provide social, emotional, physical, mental health and informational support to enhance the well being of children and families in the community and improve the effectiveness of community and tribal programs by connecting children and families with the services they need.

GOALS

To ensure the safety and well-being of children by strengthening the collaboration between the Hoopa Valley Tribal Departments, Humboldt County Child Welfare Services and Community Agencies.

To provide up to date information on community events and activities.

To provide Application Assistance.

To provide interactive, positive family activities.

To provide an easily accessible Community Resource Center.

To provide a safe environment for family visitations.

To provide a food pantry and clothing closet.
