Introduction

Introduction

- The GrantSolutions **Online Data Collection (OLDC)** system is a convenient web-based tool used to submit forms
- **Grantees** enter, validate, certify, submit, and retrieve information pertinent to the forms in OLDC
- **Grantors** electronically review, approve, or return forms for corrections

Introduction

- OLDC is a role-based system
 - Users may only perform actions if they have the necessary permissions
- Grantees may be assigned one of the following Job Types (pre-defined group of roles):

Job Type	Description
Grant Administrator	Assigned all grantee roles.
Grant Director	Default roles are view-only and certify, which means they can view and electronically sign forms.
Authorized Official	Default roles are view-only and certify, which means they can view and electronically sign forms.
Data Entry Person	Default roles include adding file attachments, creating new forms, deleting forms, editing existing forms, and viewing and printing forms.
View Only User	Default roles are view and print forms.

Introduction:

Account Credentials and New Requests

- GrantSolutions Management Services - New Users
 - Before gaining GrantSolutions system access, every new user is required to sign and return the GrantSolutions [Rules of Behavior](#) (Part 1)
 - The Rules of Behavior page must be signed by the requestor
 - Submit the [Recipient User Account Request Form](#) to the GrantSolutions help desk at help@grantsolutions.gov
 - The Recipient Authorizing Official must sign Part 2 of the Recipient User Account Request Form
- GrantSolutions Management Services - Existing Users
 - Recipients with existing access to GrantSolutions **do not** need to resubmit the Rules of Behavior or create a new account
 - Modifications - Submit the [Recipient User Account Request Form](#) (Part 2) to the GrantSolutions help desk at help@grantsolutions.gov

Introduction:

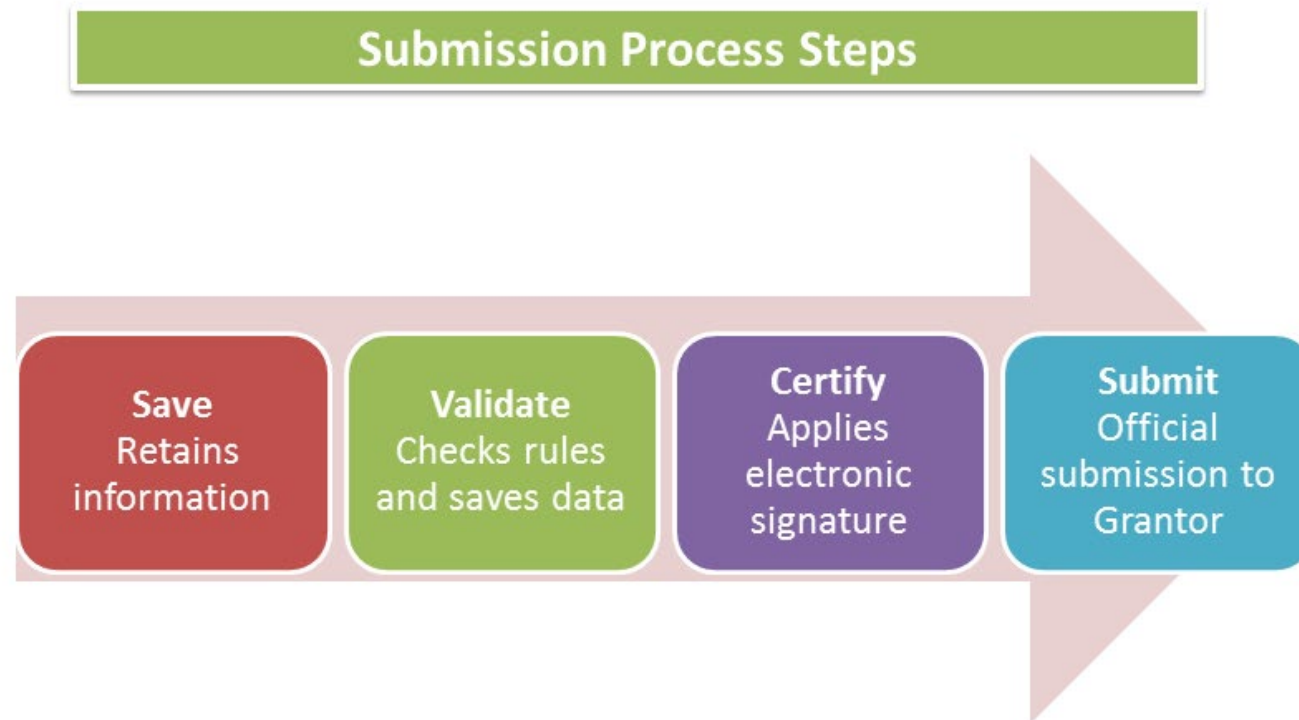

Account Credentials

- Once a user account is created, the user receives two automatically generated emails from GrantSolutions
 - The first email contains a username and a link to GrantSolutions
 - The second email contains a temporary password

Note: When accessing GrantSolutions Management Service, please use Chrome or Mozilla Firefox. Internet Explorer is no longer supported with our services.

Introduction: Workflow

- Grantees must perform specific steps to submit forms

Note: When a form is submitted, an email notification is sent to the designated Grantee and Grantor staff.

Accessing Reports

Accessing Reports

- Review how to access and complete the:
 - SF 424M Report
 - ACF-204 Form

Accessing Reports and Forms: Workflow

- Grantees must perform specific steps to submit forms

Note: When a form is submitted, an email notification is sent to the designated Grantee and Grantor staff.

Reports

Reports: Validate

- Once data is entered and saved, the form must be validated. Validate checks the form for mathematical errors
 - **Saved -- Validated:** There are no errors and the form is ready to be certified
 - **Validated -- with Warnings:** The report form is saved and validated and there are some errors on the saved form. However, these errors are allowable and the report may still be submitted
 - **Saved with Errors:** An error message appears at the top of the form. Reports with errors cannot be certified and have the status “Saved with Errors”. Errors must be corrected

Revisions

Revisions

- To make a changes to a submitted form, create a **Revision**
 - A Revision is an exact duplicate of the submitted form, only the data fields are open and modifications can be made
 - The original form does not change and can be accessed by clicking **View Original** from the “Report Form Status” page
 - Once changes are made to the revised form, it must still be **validated, certified, and submitted** to complete the process
 - When a Revision is submitted, the “Report Form Status” page appears. The most recent Revision is listed first in the Status table, followed by earlier revisions, and ending with the original submitted Form.
