

OFA Regions VI & VIII TANF Data Reporting and Analysis Webinar Series

Webinar One: Thursday, June 27, 2013

Patrick Brannen

Presenter

Patrick Brannen is a Statistical Consultant to the Department of Health and Human Services, Administration for Children and Families, Office of Family Assistance (HHS/ACF/OFA). He is responsible for statistical aspects of data collection and reporting of the TANF Data Report and the SSP-MOE Data Report and for data analysis, including the calculation of the work participation rates.

He was a Federal employee for more than thirty-six years, twenty four of which were with the Aid to Families with Dependent Children (AFDC) Program and the Temporary Assistance to Needy Families (TANF) Program. He has a B.S. in mathematics from Creighton University and a M.S. in Statistics from the University of Iowa. He is married to a wonderful woman, his wife Kay and they have a daughter, Kristin.
