

11. Number of Family Members:

*Instruction:* Enter two digits that represent the number of members in the family receiving assistance under the Tribe's TANF Program during the reporting month. Include in the number of family members, the noncustodial parent who the Tribe has opted to include as part of the eligible family, who is receiving assistance as defined in Sec. 260.31, or who is participating in work activities as defined for Tribes in their approved plan.

12. Type of Family for Work

Participation:

*Guidance:* This data element will be used in conjunction with other data elements (dependent on the approved Tribal plan) to determine work participation rates. A family with a minor child head-of household should be coded as either a single parent family or two-parent family, whichever is appropriate. If the family receiving assistance includes a custodial and noncustodial parent, then, if neither parent is disabled, the family should be coded as a two-parent family. A noncustodial parent is defined in section 260.30 as a parent who lives in the State or States (in which the Tribal Service area is located) and does not live with his/her child(ren). The Tribe must report information on the noncustodial parent if the noncustodial parent: (1) Is receiving assistance as defined in Sec. 260.31; (2) is participating in work activities as defined in the Tribal plan; or (3) has been designated by the Tribe as a member of a family receiving assistance.
