arc Internship Programs

In addition to the **ARS** (Addiction Recovery Studies) and **PSSA** (Peer Support Specialist Academy), ARC is offering the following programs for our interns:

FOOD MANAGEMENT

The Food Management Program will prepare interns for work in the food service industry. Courses include: Fundamentals of Food Safety, Temperature and Timing, Cross-Contamination and Foodborne Illness, Personal Hygiene, & Sanitation and Cleaning.

GENERAL MAINTENANCE

The General Maintenance Program will prepare interns for a job as a general maintenance worker. Courses focus on general maintenance and repairs for assigned equipment and facilities including plumbing, electrical, basic carpentry, heating and cooling, and other building systems.

CERTIFIED BUSINESS OFFICE MANAGER

The Certified Business Office Manager Internship Program will develop office managers who have the skills and knowledge to optimally manage an office for efficiency, productivity, and with the necessary level of professionalism. Managing an office varies with the complexity of the operations or the industry the business supports. The daily operations can be managed using a solid framework with established processes.

BEHAVIORAL HEALTH TECHNICIAN

The BHT certificate program is designed to provide a basic introduction for individuals seeking employment in the Behavioral Health Treatment field. The program is targeted for interns, residential staff, entry level support staff and inexperienced staff new to Behavioral Health Treatment.

ASE TRAINING

The ASE Training Program will prepare interns to be ASE certified mechanics. For training in the automotive or medium/heavy duty vehicles, this program covers the need from fleet training to technician certifications. Developed by ASE-certified professionals, these courses give users the latest skills required by the transportation industry.

ARC CREATIVE

The ARC Creative program is designed to provide an introduction to the culinary, visual, and performing arts. It will allow those with a passion for creative arts to pursue their God-given destiny, and use their unique gifts and talents to strengthen their recovery, help others and pursue fulfilling careers.
