WHAT WE CAN DO FOR YOU

Provide a wide range of free, comprehensive, and individualized technical assistance and training, and specialized resource materials.

- **Technical Assistance and Training** – individualized TA and training on domestic violence policy, practice and research for individuals and organizations seeking information on domestic violence and related issues.
- **Specialized Resource Materials** – fact sheets, resource packets, applied research papers, annotated resource lists, curricula, training materials, and policy briefs to support domestic violence intervention and prevention efforts at the individual, community, and societal levels.
- **Special Projects** – initiatives designed to more deeply explore issues or develop more comprehensive assistance to a particular constituent group.
