2022 OFA Regions IX and X State and Territory TANF Technical Assistance Virtual Meeting: Reorient, Reset, and Rise Oregon

Oregon is energized about:

- TANF Redesign launched in late Fall 2021 as an effort to rethink the way we implement the TANF program in Oregon. This is a partnership with community-based organizations, advocates, tribes, and TANF families.
- Oregon is in the process of implementing historic changes to our program that were approved during the 2022 Legislative Session.

Oregon, Onward and Upward

- TANF Redesign has put together a number of policy options for the 2023-2025 budget cycle that include an increase to the cash grant and expanded eligibility for historically excluded populations.
- TANF Redesign is turning its focus to evaluate changes to administrative rules and service delivery that will improve outcomes for families.
