

Webinars: ACF Program Disaster Waivers and Flexibilities

About the Webinars

Did you know that ACF programs can help communities meet crucial needs after a disaster? Join ACF staff for two 90-minute webinars reviewing updated guidance on program waivers and flexibilities. Program offices will discuss allowable uses of funds and ways to meet administrative requirements while helping people recover from emergencies.

ACF program award recipients, state human services staff, and state emergency managers are welcome to attend!
