

E&T Funding

There are 3 types of funding

- E&T Program Grants
- ABAWD grants
- 50 percent reimbursements

E&T Program Grants

- Federal funding for the administrative costs of planning, implementing and operating an E&T program
- Grants are limited
- Based on the # of work registrants and ABAWDs
- States can request additional funds

E&T Program Grants

Calculation, as mandated by Regulations:

1. Percentage of work registrants to \$81 million
2. Percentage of ABAWDs to \$8 million
3. Adjust grants so that no State receives <\$50,000
4. Supplement grants so that no State receives <20% than its previous years grant

ABAWD Grants

For States who “pledge” to serve all at-risk ABAWDs

- \$20 million pool
- Pledge States must use \$\$ to place ABAWDs in qualifying work component

Reimbursement Money

Two types of reimbursement

- 50 percent of additional administrative costs
- 50 percent of participant reimbursements

Reimbursement Money

Participant Reimbursements include:

- Dependent care costs
- Transportation expenses
- Books or training manuals
- Uniforms
- Personal safety items required for participation
